CareFil Rx is a regional medication management pharmacy that specializes in helping all people stay independent with their medications. We help those who are tired of making several trips to their local Pharmacy each month and those tired of filling and organizing the weekly pill boxes. We offer a 30-day mail-order medication management program to residents throughout our Five state region. CareFil Rx is a service provided by Integrity Pharmacy, a 15-year-old firm that serves independent living communities and people at home to assist in improving medication adherence, while optimizing medication therapy, and enabling better patient health. We follow your physicians' and provider orders.

Taking the right medications at the right time is the best way to keep you safe, healthy, and independent at home. We bill all your medications directly to your insurance and accept the same copay as you were previously paying at your retail pharmacy. We are Medicaid and Medicare approved and accept all insurance except Tricare. There is no charge for our pharmacy liaison to make their initial visit to review all your medications and there is no charge for the delivery of your monthly medication box via the US mail to you. We can also provide Insulin, inhalers, vitamins, and other short-term pharmacy medication needs. There are **no long-term contracts** and orders are completed every 30 days. Join the thousands of people who are enjoying our service and the independence of hassle-free Medication management.
