Platte County Senior Fund

PCSF has been providing services to Platte County seniors since 1994. We still find many people who are unaware of the services we can provide.

**Accessibility Modifications**
Approved modifications include durable medical equipment for fall prevention, wheelchair ramps, stair lifts and tub cutouts for safer entry into bathtubs. Co-pay applies.

**File of Life**

**Information and Referral**
If we don’t offer the service we can connect you with agencies that can.

**In-home Services**
Sometimes it is nice to have a little help. Sometimes it is necessary in order to stay in your own home. In-home services includes respite, personal care and homemaker. Co-pay applies.

**Minor Home Repair**
Some people are handy and some are not. If you lack the skills or strength (or know better than to risk getting hurt), contact our office. Our providers can fix that leaking faucet, clean gutters and help weatherize your home along with a host of other repairs. Co-pay applies.

**Personal Safety**
This service is a telephone link to trained professionals who can alert family, neighbors, friends or emergency services, if you fall and need help. The pendant or wristband help buttons are waterproof and well suited for added security.

**Transportation**
Rides to medical, dental, grocery, pharmacy and essential business appointments only. Residents of communities with transportation service are not eligible to utilize our transportation services.

**Wellness**
YMCA membership discount. Program is limited.

**Staff from left to right:**
Christine Bennett, Debbie Gwin, Celia Casolari and Cindy Foley
