

The coronavirus pandemic has changed a lot of things. One thing that's still the same? Falling is NOT a normal part of aging.

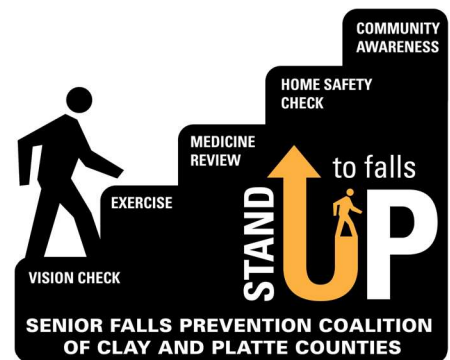

Platte County Senior Fund, Parkville Living Center and AV Yoga and Wellness are committed to empowering all older adults in Platte County to age well and stay falls free. We are partnering with the National Council on Aging (NCOA) to mark Falls Prevention Awareness Week on September 20-24, 2021.

This is a perfect opportunity for older adults and caregivers in our hometown to learn how to prevent falls and take steps to reduce their risk.

JOIN US

September 23, 2021, at 2:00pm for a Fall Prevention Presentation to learn how you or an older relative, friend, or neighbor can stay falls free.
